2018 Mid-Year Review

Our Second-Half 2018 Goals:

- + End the year with over 2,000 students graduated from the program
- + Add 5 to 10 new geographically diverse universities
- + Add two-to-three additional major sponsors to the program
- + EIOC website redesign, inclusive of analytics
- + Measure the number of graduating students who acquire full-time jobs in our industry

About the Program

Envestnet Institute On Campus aims to build a bridge between colleges/universities and investment management by training talented young individuals and positioning them for employment across various areas of the industry. The program is made possible through a collaboration between Envestnet, Fiserv and DAKdirect.
